RE: Public records request/Eddie Ray Epperson  
Request for preservation/non-spoilation of documents/materials  
Our File No.: 01129/76315

Dear Mr. Gaines:

I am enclosing a copy of the autopsy report that the City of Humboldt, Tennessee, received in this case. I am also enclosing a letter from District Attorney Garry Brown explaining his position on releasing the T.B.I. report. Because he will not release the T.B.I. file, I am not in a position to be able to send that to you.

If you have any questions, please let me know.

Yours very truly,

RAINEY, KIZER, REVIERE & BELL, P.L.C.
